EDUCATION

Bachelor of Science in Computer Engineering

University of Sharjah

09/2013 - 09/2017

Sharjah, United Arab Emirates, 3.72

Master of Science in Engineering Management

University of Sharjah

01/2018 - 01/2021

Sharjah, United Arab Emirates, 3.62

Nanodegree in Data Analysis and Visualization

Udacity

07/2022 - 10/2022

SKILLS

Ms Power BI

Ms Excel

Ms Azure

Tableau

DAX

SQL

Python

Google Analytics

AWS

BigQuery

Reporting & Visualization

Story Telling

PERSONAL PROJECTS

Project 1: Ministry of Education Schools

- Create a data model and report for Ministry of Education school to analyze students performance and grades.

Project 2: Seven Sages Tea Company (SSTC)

- Create a data model and Power BI report for SSTC that combines information from all over the company to enable easy review and analysis of companies products.

Project 3: Waggle Technologies

- Develop a custom Power BI report for the CEO and leaders of Waggle that tells story about the company's products and extract business insights to help improve business decisions and strategies.

Project 4: National Clothing Chain

- Design a complete and thorough market analysis in Power BI to create a targeted marketing campaign in order to improve sales.
